

# NO TRUCK STRIKE; WAGE PARLEY ON

Employers Insistent on Longer Day  
for Same Pay—Men Agree  
to Negotiate.

The threatened walkout of 40,000 truck chauffeurs and teamsters was postponed indefinitely last night when a committee representing the four local unions of the International Brotherhood of Teamsters and Chauffeurs agreed to work under the present wage scale until pending negotiations between the union and employers are completed.

At the meeting held in the City Club the union men requested the employers to be less stringent in their terms for the agreement for the ensuing year. The request was refused. At a meeting held by the employers earlier in the evening a resolution was passed unanimously calling upon the union to work ten hours a day for the wage scale now being paid for a nine-hour day.

The demands upon the union also include that the overtime charge hereafter be \$1 an hour and a proportionate ratio of this for each fraction of an hour. Men are to be paid for holidays provided they work the entire week, and a \$600 bond is to be posted by both employers and employees to guarantee the agreement.

## COTTON MILLS CUT WAGES.

GREENVILLE, S. C., Oct. 27.—Several large cotton mills have announced reductions of from 10 to 30 per cent. in the wages of the operatives effective next week. Dull business and decline in the cost of living are given as reasons.

The present force of employees will be retained as long as the business justifies.

Spring Has Got to Winced.  
WINSTED, Conn., Oct. 27.—Miss Agnes E. Bowen of Brooklyn yesterday picked in her summer garden in Pleasant Valley an attractive bouquet, consisting of asters, pansies and verbenas. Mrs. James Rose of No. 83 Pratt Street has an apple tree in her yard which is in blossom for the second time this year. Fruit adorns some of the branches. Mrs. L. Perkins picked violets in her garden.
